Josh-

Sorry that I could not make it yesterday.

Danny, you were there. How did you interpret Chris's statement?

His timeline did not contemplate GSA/FERC review, but even adding 30 days for that, it sounds like they are anticipating an award for the first phase this FY… Unless I am mistaken, you would need our funding to make an award, meaning the November date we talked about earlier in the week is not valid… can you confirm my understanding, or correct as necessary?
